SKILLS

- ❖ Java
- ❖ HTML, CSS, Javascript
- ❖ SQL
- ❖ Python

EDUCATION

- | | |
|--|------------------|
| ❖ BTECH - IT (Information Technology) L.J university | CGPA: 7.7 2025 |
| ❖ XII (GSEB) D.N.J ADARSH HIGHER SECONDARY SCHOOL | 70.15% 2024 |
| ❖ X (GSEB) M.S VIDHYAMANDIR | 84.% 2022 |

ACADEMIC PROJECTS

- ❖ [Vyapar : DigiKhata](#) | Python, Web Development |
 - Developed a comprehensive digital bookkeeping and inventory management solution explicitly designed to scale for all business types and shop owners.
 - Programmed the core backend logic using Python to ensure secure data handling and seamless daily operations tracking.
- ❖ [RakhtSeva](#) | HTML, CSS, JS |
 - Built a responsive, web-based platform to streamline blood donation camp logistics, connect local donors, and manage live blood group inventories.
 - Developed a user-friendly frontend interface utilizing HTML, CSS, and JavaScript to ensure smooth navigation and efficient data collection from volunteer donors.
- ❖ [Ahmedabad BRTS Ticket System](#) | JAVA |

- Developed a console-based BRTS ticket booking system in Java that allows users to register, log in, select routes, calculate travel distance, and generate fare-based tickets.
- Implemented using object-oriented programming, arrays, and user input validation.

❖ [Smart City Hub](#) | JAVA |

- Designed and implemented a modular console-based application to manage city complaints and public hall bookings. Developed separate modules for citizens and administrators using object-oriented programming principles.
- Implemented complaint storage and sorting using a **Binary Search Tree** to display complaint history in ascending and descending order.
Integrated MySQL database connectivity using JDBC to store user, complaint, and booking records

ACHIEVEMENTS

- [Introduction to HTML, CSS, & JavaScript](#) – IBM (via Coursera) | Dec 2025
- [Inheritance and Data Structures in Java](#) – University of Pennsylvania (via Coursera) | Jul 2025
- [Introduction to Java](#) – LearnQuest (via Coursera) | Jan 2025
